SUBJECT: Hoosier Women Veterans' Conference

You are cordially invited to join us in a celebration of your service in the United States Armed Forces. The conference, which will be held on April 14, 2007 from 9 AM until 4 PM, will address contributions made by women while serving their country and will offer you the opportunity to network with fellow female veterans from World War II through the Global War on Terrorism. Held at the Indiana Government Center South, the conference will feature speakers in the auditorium as well as break-out sessions covering specific subjects of interest to women veterans. Both federal and state veteran- and community-based organizations will be present to provide information and answer questions. Registration is free and lunch will be provided at no charge. Please feel free to invite your family and other interested parties to attend.

As there are only 400 available spaces, please register by March 30th 2007. Please return the enclosed registration form or contact the Indiana Women Veterans' Coordinator, Kris Bertrand, by phone at 317-232-3921/800-400-4520 or by e-mail at kabertrand@dva.in.gov.

We look forward to meeting you!
